

DAVIES GROUND RULES

All overhead items meet the minimum 15-foot height from the floor, so ruling will be part of ceiling (rule 8.4.2a)

**North and South ends the RED is nonplayable area. Service can't start in the RED. See photo
NO cameras, seating or standing in the red area on courts 4 & 5 (South wall) or between courts. See photo**

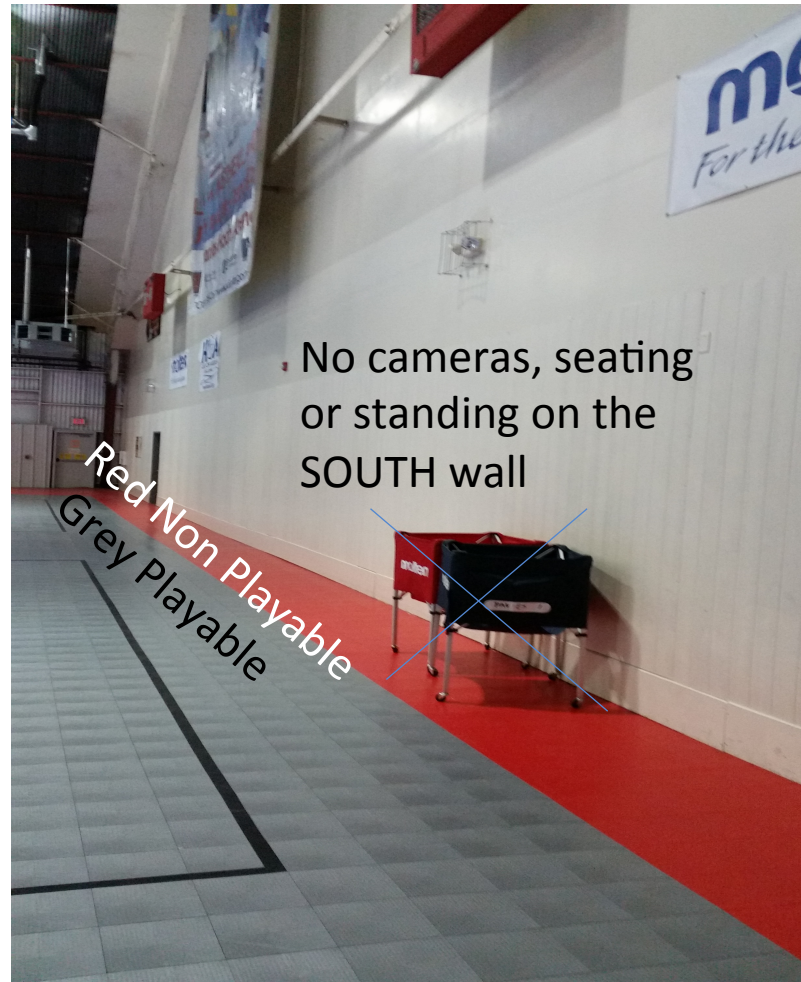

Players are not allowed to enter adjacent courts during anytime while playing the ball or after playing the ball, but can play the ball while behind end line of adjacent courts (rule 9b)

The nets, if moved while playing the ball, must be by the player playing the ball, not a teammate (rule 9a).

No cameras are allowed along the net or behind the courts

The line between Grey and Red is the divider of playable and non-playable area on courts.
